NOTIFICATIONS BY THE GOVERNMENT OF MYSORE.

GENERAL AND REVENUE.

No. 12981—*Mis. F.* 21-96, *dated* 12*th April* 1898.

The following Notification issued by the Resident in Mysore is republished for general information:—

Notification No. 1492, *dated Bangalore, the* 22*nd March* 1898.

Regulation No. 6, prescribed in this office Notification No. 501, dated the 3rd February 1898, which was issued under the Epidemic Diseases Act, 1897, is cancelled and the following is substituted:—

6 (i). Carriages in which cases of plague *have been* detected, after being detached from the train, should be thoroughly washed with soft soap and lime water. After an interval of two or three hours this should be washed off with plain water, and then the following disinfecting solution should be thoroughly sprayed all over the interior as well as the exterior of the carriages by means of a syringe:—

Corrosive Sublimate	.. .. ..	½ oz.
Hydrochloric Acid	.. .. ..	1 „
Water	.. .. ..	3 gallons.

This solution should be allowed to dry on the carriages. Special care must be taken to direct the solution into all the cracks and crevices and jilmills.

(ii). After disinfection, the carriages should be kept out in the open for 48 hours. They can then be brought into use again.

(iii). In the case of first and second class carriages, which afford greater facilities than third class compartments for the harbouring of plague germs, it will be necessary, if the carriages are contaminated, to burn the cushions and to disinfect the wood work in the manner indicated above, and repaint the interior.

(iv). Any compartment in which a suspicious case has travelled should be sprayed with the above disinfecting solution before being allowed to proceed.

No. 13220—*Mis. F.* 21-96, *dated* 16*th April* 1898.

For clause (*b*) of Regulation II of the Regulations under the Epidemic Diseases Regulation published with Notification No. 9384—Mis. F. 21-96, dated the 10th February 1898, the following shall be substituted, namely :—

"(*b*) take measures for segregating and retaining such person in his own house or in some other suitable place, if *from the fact of such house or place being situated at a distance from crowded localities and from being surrounded by a large compound* the Health Officer *thinks that* the said person can be there treated with no greater risk of spreading the infection than would arise if he were removed to a place provided under Regulation 8."
